You can give your dues to Judy at the meeting or mail her a check. Her address is 364 Washburn Rd. Tallmadge 44278. Please make the check out to NEOMC or NEO Mustang Club. Bill Cole has asked for donations to his old Army Platoon which is now stationed over in a very remote area of Afganistan. Items that are appreciated are toiletries, magazines, books, movies, hand wipes.

## **OLD BUSINESS**

**CAR SHOW:** The first car show meeting was held on January 26. The committee members are: John W., Dave Z., John K., Jerry C., Steve K., Betsy T., and Tom Lutz.

The show will be in September at Montrose Ford. The day will be the first Sunday of the Brown's home opener, which is when the car lot is least busiest. When the Brown's announce their schedule we will know the actual date.

Due to popular demand there will not be a "buy a vote" category. There will be 4 more trophy classes added including a judged cleanliness class.

There will be a second food vendor and possibly a dent removal demonstration. In order to park in the lot with all the Mustangs you must register your car.

A popularity vote has decided that the T-shirts will have the dash plaque design over the pocket area as last year. A 1966 GT 350 will be on the dash plaque.

It is not too early to start collecting prize items. The committee is currently looking into which charity will be supported this year. Once that is known and the date known John will have a letter printed up to give to businesses when asking for donations.

**SUMMER PICNIC:** The picnic will be July 14th at the Countryside Campground.

## **NEW BUSINESS**

John asked if there is an interest to have business cards printed up again this year. John O'Brien made a motion to accept and Dave Zeitler seconded.

The summer schedule is being worked on and if you have any ideas please e-mail them to John.

Dave Zeitler has asked if the club would be interested in ordering hat pins. He has a book of pin designs to pass around. This will be looked into.

# member highlight

Don & Judy Woerz are guests this month. They have been in the club since 1992. Don was Treasurer from 1999 to 2004 and then Judy took over and still holds that position. Don was President from 2005-2011. He enjoyed both offices and now enjoys just being a member and helping out where needed.

Don and Judy have been married for 26 years. Between the two of them they have 4 children, 6 grandchildren and 2 great grandchildren.

Don retired from Ohio Edison in 1996 and enjoys woodworking. Judy from Robinson Memorial Hospital in 2000 and likes to read mystery novels.

Their first Mustang they bought was the 1965 Coupe in 1991 and are the 3rd owner. It was originally from the Berea area. In 2008 they bought the GT/CS. Don's dream car is a 1966 white/blue stripe Shelby and Judy likes the GT/CS they have.

My favorite memory of Don and Judy was up at Woodward when we were at the Roush factory. They had upgraded the California Special's exhaust and they were hauling home the old exhaust. They were getting ready to leave, they had the top down and laying across the back seat was the old exhaust. It was all wrapped up with plastic and duck tape. I told them if I didn't know any better I would have thought there was a dead body in there!
