There is no General meeting this month due to the picnic. If anyone was wondering what happened to the picture of the running horse and Pony Tales heading in June's newsletter it got "lost" in my computer crash. I did not realize that until after the newsletter was printed and e-mailed out. I did not think it was worth doing the e-mailing all over again once I fixed the problem. Computers....there's a love/hate relationship there!!!!

Hopefully everyone has a safe and happy weekend.

Don't forget the picnic is July 17th at Tom and Diane Geul's home. 450 Regency Park, Tallmadge. 330-630-2708. Social hour starts at 12 noon with food served at 1:00. Bring a covered dish. Hot-dogs, hamburgers, condiments, pop provided by the club. Bring your own chairs and BYOB. Refer to map from June's newsletter. If you no longer have the newsletter the link can be found on our website.

Perk this bear up by showing up!

Tom Jost participated in the Stan Hywet Car Show with his '79 Pace car and his Dad's car.

Steve and I drove down to the Loudenville car show yesterday the 3rd. It's a really nice little town with a great car show. There were 500 plus cars being shown. Besides the food vendors they also had some antique tables set up. It's a very nice drive and maybe we should think about driving some cars down next year and entering.

CAN-AM

There were 4 couples who participated in the Can-AM event. Steve and I drove up on Friday night and met Dave and Dawn Zeitler and Karl and Cathy Hirt for the A&W cruise in and desserts at the hotel. Tom Jost participated in the early morning cruise on Saturday from the hotel to Summit Racing. We met up with the group in the afternoon at Summit Racing to cruise out to Mill Creek Metro Park. It was a gorgeous day for a cruise and the park was beautiful. We then cruised to Das Dutchen Has Restaurant for a yummy family style dinner of chicken and roast beef. After dinner was the raffle and then we split up into 4 groups and played Wheel of Fortune with "mustang sayings". We had a great time and enjoyed meeting all the nice people from up north. I think there were around 35-40 cars. Next year the Pittsburg club is hosting the event and hopefully we will be invited also.
