*To a good home only! Much as I love our 68 big block California Special, I am considering finding her a new home. It would be great if it could stay in the club!

I hope everyone will enjoy the Easter weekend. Can't be so sure if we will have nice weather or not with all the rain and cool temps. We just came back from vacation where it rained only 5 minutes the whole time!

Welcome to our new members we look forward to getting to know you and your cars.

This year marks the 30th year for the club and should bring about some celebrations! See you at our first outdoor meeting on May 4th. Be sure to bring your umbrellas to ward off the rain and don't wash your car. Well, that last one might be hard to follow and you might just have to take the chance.
