The meeting started shortly before 7:00 due to the chance of rain.

Judy started the meeting with the Treasurer's report. A total of \$224.15 was spent on the club picnic. Judy was also preregistering members for the car show.

John thanked Karl and Cathy for arranging a great picnic and a round of applause was given to them. He mentioned that the club gave \$50.00 to the campground for the use of their grounds and pavilion. Owner Gary Brainard was nice enough to volunteer to do the grilling for us.

A lot of car pictures were taken to add to the website.

Karl also wants to thank those who helped set up and tear down. There were 60+ people at the picnic with over 25 mustangs.

OLD BUSINESS

Antenna Flags: Marilyn is still selling flags for \$5. per flag. So far she has made \$204. for the club.

Car Pictures: John is still asking you to send in a picture of your car to John O'Brien for the website. There are a lot up there but there are still some members he needs to add.

Shirts: Karl has the 30th anniversary t-shirts available. The shirts for the car show will arrive in time for the September meeting.

Woodward: August 19-20. There are about 5 couples and a few singles driving up. Dave Zeitler says we will meet at the first rest stop on the Turnpike west of Rte. 8 and will be leaving at 9:30. There will be a lunch stop at the famous Tony Packo's. You can still reserve a room at the Hampton Inn, Southfield, MI. Phone # 1-248-356-5500
GPS address is 27566 Northwestern Hwy. Any questions call Dave 330-858-0031

Old Business cont.

2011 All Mustang Show, September 11: Pre-registering started today for the show at the Montrose Ford Dealership. You will receive the goody bag at the show. There is a sign-up sheet for volunteers. Tables and tents are also needed. If you have any items for the raffles please get them to John so he knows how much he has available. John Koza said you could bring your car out the night before and they will store it inside.

There will be free memberships given away. There will be a \$100. award to a registered vehicle. If a club member wins this, \$80 will go to the Valor Home, our charity, and the member keeps \$20. If there is a tie on any awards given the award will automatically go to the non-member. There was also a discussion held on the practice of "buying votes" for your own car. This is allowed since the premise of the car show is to raise money for the charity. There can be quite a bit of money raised with people trying to outbid each other. If this practice seems to be a big turn-off to a lot of people we will re-think this for future car shows.

Hello all, It has been a very busy summer so far and it's not over yet. John, Marilyn and Steve and I had a very nice time in Pittsburgh at CAN-AM. Hopefully we can get more participants next year. Then there was the successful picnic, with probably a record attendance. As I type Steve, Dave, Jerry & John Koza are in Detroit for the Boss Reunion shindig.

In a couple weeks we are off to Woodward Dream Cruise. Not to mention the little cruise ins here and there. Come on out and join us at any of our events, we always have a good time. Not just doing car stuff but hanging out and socializing. I hope everyone can plan on attending our Car Show on Sept. 11.

Karen Kropp, Secretary
