The first meeting of the year was held at On Tap in Stow/Kent. There were 39 members present. John and Marilyn are on vacation so the VP, Karl Hirt presided.

Karl thanked Bev Beutler for making the Christmas tree centerpieces for the Christmas party. They were a big hit when they were raffled off. Unfortunately the drivers were extremely slow at the White Elephant gift exchange song and needed much help.

He also thanked everyone for bringing in the toys to deliver to the Toys for Tots program. John, Marilyn, Dave, Dawn and Jerry delivered them to the Marines the next day at the Wingfoot Lake Hangar. The Marines were very surprised to see so many gifts trucked in.

Judy Woerz gave the Treasurer's report and also gave a look back at the difference in 2011 fees from the year 2008.

## **OLD BUSINESS**

**ANTENNA FLAGS:** See Marilyn to order these. Put them on your car while at car shows or cruise ins.

**CAR SHOW COMMITTEE:** John will be contacting the committee members to schedule a meeting date later this month. The committee consists of Don Woerz, Dave Zeitler, John Koza, Tom Luxmore, Jerry Cafarelli.

**CLUB T-SHIRTS:** Karl and Cathy will be taking orders for the t-shirts. See them at any meeting to look at the book for the colors you want. The no-pocket t's are \$13., pocket t's are \$15. The embroider shirts have went up in price, but Karl is not sure at this time the actual cost.

## NEW BUSINESS

**SUMMER PICNIC:** The picnic has been scheduled for July 14th at the Countryside Campground.

Norm Clark mentioned dates of the MCA Nationals this year. Let the club know if you are planning on going to any of them. Others may plan on going too. The two closest to our location are in Pensacola, Fla., March 23-25 and Warrick, RI, July 20-22.

Joe Beutler and his son Dan gave an overview of how the MCA Nationals and Grand Nationals are judged. They want to encourage club members to enter their Mustangs into the shows. They tell us that our cars are definitely nice enough to enter the shows and that we should all think about joining the group from our club that participates in this part of the Mustang hobby. There are many different classifications and divisions that you can enter your car into, some of which do not even judge under the hood and the underside of your car. Besides trophy's, you are awarded points that are then accumulated for awards. The judging sheet with your points on them can then let you know in what area you need to improve your car for the next show.

# member highlight

For my first member highlight I thought it would be fitting to have the President and First Lady as the openers. John & Marilyn Wanacheck joined the club 6 years ago at the Deyarmin Event. John is going on his second year as President. John got his first Mustang in 1994, a 67 Coupe. Marilyn's was a brand new 1998 White Mustang.

Their current Mustangs are a 1969 Red Mach I, a 2004 Yellow Mach I and a 1968 Fastback currently a dashing primer gray. They have been married 30 years and have 2 daughters, Abby, who comes to the meetings and Nicole who lives out of state. The Wanacheck family has a total of 7 Mustangs!

John retired from the US Navy Submarine Service in 2005 and Marilyn has been a cook at KSU for 6 yrs.

John's dream car is a triple black Roush Convertible and Marilyn dreams of a White on White Saleen!

I asked them if they had any little tidbit they wanted to add and this is what they said.

John thinks Denny Bujak should give him his Boss 429 because he LOVES IT!

Marilyn has enjoyed meeting new people through the club and making cupcakes to bring in!
