OLD BUSINESS

Antenna Flags: Marilyn will be taking orders for the next year. If you have already ordered one you can pick yours up at the next meeting.

Car Pictures: A lot of pictures were taken at the car show, some of them will be on the website.

Car Show: The car show went off really well. The rainy weather held off until the very end. There were approximately 90 cars at the show, however only 83 registered. It was decided that at future car shows you must register to park with all the other registered cars. If a car isn't registered it will be parked off to the side. If anyone else has any helpful hints or ideas for the future please let John know.

The free membership went to Carl Springer who has already taken advantage of it and went with us to Hot Rod City and joined us at today's meeting. Carl has a 69 Mach 1 and was one of the trophy winners.

Bob Wilkinson from the Valor Home joined us for dinner. John presented him a check for \$250.00. The Valor Home "booth" was able to make \$630.00 from the raffle tickets and individual donations. Bob gave an update on the building progress. Ground breaking was to be in August but will now be late November with a grand opening in late summer 2012. The home is to be built on East Waterloo Rd. across from the VA offices. (This is very near the Arlington Rd./Waterloo Rd intersection.)

Maize Valley: A nice size group got together and went to Maize Valley for their final car cruise of the year. Unfortunately they missed some of the pumpkin cannon.

Mid-Ohio: Jerry Cafarelli, John and Marilyn and Carl Springer all won awards and trophy's. John hopes to get together a group next year and make a weekend of it. They met Jack Roush Jr., and were able to go into the pits and also walk around the track.

Hot Rod City: About a dozen went down to New Philadelphia to Hot Rod City for their cruise in. The restaurant service was a little lacking but the food was good.

NEW BUSINESS

Election of new officers is next month if anyone is interested in running for any of the postions.

The closest MCA show next year is in Rhode Island. It is a 10 hour drive and according to Joe Beutler you need to register early if going. John would like to put together a schedule of Mustang Cruise-ins for next year.

Fall Foliage trip this year. Marilyn will contact us by email in the next week or so when she plans this. Depending on the weather and the turn of the leaves. This will be a drive up to the Geneva area with a stop for lunch and to take in covered bridge or two and the lighthouse.

Halloween Party will be held at the Countryside Campground on Rte. 43 on Saturday the 29th. The same place we had the summer picnic. The party will be in conjunction with the campgrounds end of the year dinner. The owners, Tammy and Gary are supplying the turkeys please bring a covered dish to share. This will start at 6:00 with the Halloween party afterwards. There is a possibility of a band and or karaoke. Please wear a costume!! Or the very least a mask. If you could let Dawn know you are coming so they know how many turkeys to get. Her number is 330-858-0032.

New Business cont.

Dawn asked for \$100. to buy gifts for the raffles. The supply that was given to them by Karl and Cathy is dwindling. John asked for a motion which was given by Betsy Taylor and seconded by Paul Raies.

Fall Foliage **2012**. Norm Clark is going to put together a trip for 2012. The one he was planning for this year fell through. He says we will make a day trip to Flight 93 Memorial in PA. and if anyone wants to go on to Falling Waters that is an option also. A dinner will planned at the Oakhurst Tea Room. The opening of the new memorial site at Flight 93 should be by late summer.

UPCOMING EVENTS AND MEETINGS

The meetings for November, January, February and March will be at On Tap in Stow. The meetings start at 7:00 with most people arriving around 6:00 for dinner. The address is 4396 Kent Rd.

Christmas Party—December 10th at the Rusty Nail.

Norm Clark gave some helpful hints on storing your older car over winter. To keep the moisture from damaging your engine run the car for at least 30 minutes once a month. If you are not able to run it for that long you are best not to run it at all until you can get it out in the spring.

The 50/50 pot was won by Abby Wanacheck.

Aggie Maas won the pumpkin/mum arrangement.

Marilyn brought in cupcakes to celebrate the months birthdays and anniversaries.
